# DETALLE CORTE POR FACHADA

A detailed black and white architectural rendering of a modern building complex. The scene features a large, multi-story building with a light-colored facade and dark-framed windows. In the foreground, there's a paved area with a rectangular planter box containing a small tree. A thin, curved black line, possibly representing a path or a piece of furniture, starts from the bottom left and extends towards the center. The background shows a clear sky with a few wispy clouds.
